Hartford Rent Rebate Program to start on May 15, 2008

The Department of Health & Human Services will begin processing applications for the Elderly/Disabled Tax Rebate Program on May 15, 2008 thru September 15, 2008. The department's Senior Services Division, which processed a record number of over 4000 applications last year, anticipates an increase for this year.

The program will operate from May 15th to May 30 at Pope Park Recreation Center and from June 2nd to September 15th at various sites throughout the city. Please, see the complete schedule on the second page of this release.

This program by State law provides a reimbursement for Connecticut renters who are elderly or totally disabled, and whose income does not exceed certain limits (single: \$29,800 or married: \$36,500). Renters' rebate can be up to \$700 for single persons and \$900 for married couples. The renters' rebate amount is based on a graduated income scale and the amount of rent and utility payments (excluding telephone) made in the prior year to the calendar year in which the renter applies.

In order to complete the application, the state mandates that all applicants submit the required documents.

Eligibility to receive Renter Rebate:

You must have been 65 years old by December 31, 2007 or 18 years old and receiving Social Security Disability.

You have rented an apartment or house in Hartford during 2007.

Your income in 2007 did not exceed \$29,800 if single, or \$36,500 if married.
